

# THE LATIMER PRIMARY SCHOOL

## Remembrance Day 2018

*Developing Responsibility; Caring about Achievement*

Dear Parents and Carers,

Here at Latimer we understand the importance of showing our respect to mark Remembrance Day, this year being particularly special as it marked 100 years since the end of WW1. The whole school took part in a two minute silence on Friday, either in the school hall led by Ms Mitchell or in classrooms and each of the classes did some additional learning around Remembrance Day and why we celebrate it.

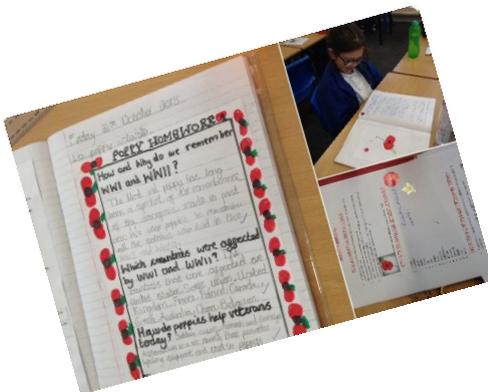

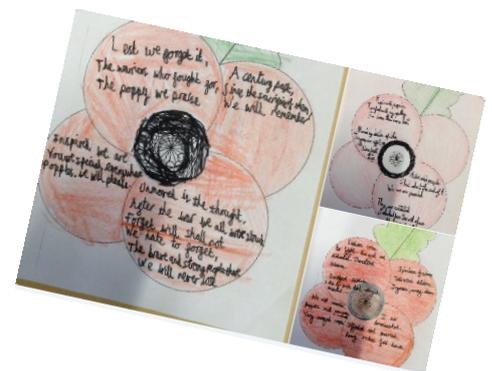

There was also a very special assembly on Friday afternoon, organised by Mr Foote, where the children were introduced to Author Rachel Greaves who performed one of her most recent stories, centred around the theme of WW1.

There are some fantastic pictures on our Twitter page so do please take a look [@latimerprimary](https://twitter.com/latimerprimary) for more information.

Class CJ created their own Haiku poems for Remembrance day.

Class ER have been learning about the significance of the Poppy Appeal and how it still helps veterans today. They also shared their research homework.

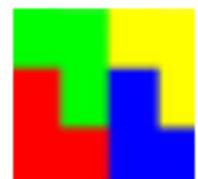

Classes KB and HC made their very own poppies to wear in the assembly on Friday, and they looked very smart.

As part of their work on Remembrance, Class VC have been busy designing a new war memorial for Anstey!

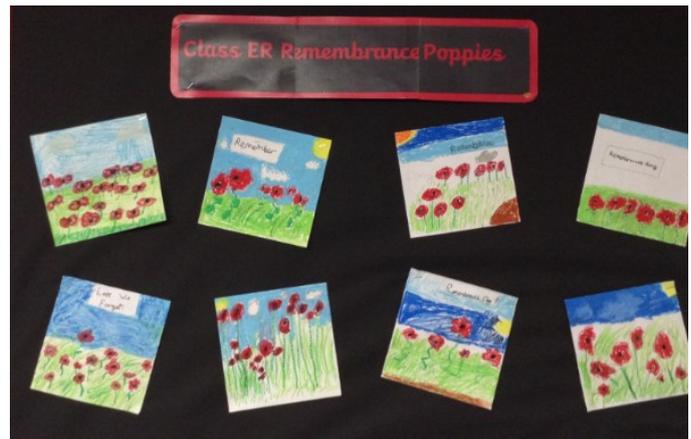

As you can see the children have been incredibly busy learning about Remembrance this week, in many different ways.

## Paint a Poppy Competition

Alongside all of our work on Remembrance Day, the whole school also took part in a Paint a Poppy competition ran by SAA in association with The British Legion. As Arts coordinator across the school, Mrs Broome discovered the competition and thought it would be something very special for us all to take part in. Each year group worked incredibly hard to create a display that would be put together to create our school's entry in the competition... Here are some examples of the amazing work.

We will wait to find out how we get on in the competition and keep you posted, but regardless of winning, it is safe to say that the children all had a fabulous time and did us proud with their creative hard work!

Check out the SAA website for more information on this and upcoming competitions <https://www.saa.co.uk/>
